

Key investor information for investors in Switzerland

This document provides you with key investor information about this fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this fund. You are advised to read it so you can make an informed decision about whether to invest.

DWS Invest Top Dividend

Share class: SGD LDQH (P), ISIN: LU0911038858, Security code: DWS1WZ, Currency: SGD

a sub-fund of DWS Invest. The management company is DWS Investment S.A., a member of the DWS Group.

Objectives and investment policy

The fund is actively managed. The fund is not managed in reference to a benchmark. The objective of the investment policy is to achieve a medium to long-term sustainable capital appreciation. In order to achieve this, the fund invests mainly in equities of domestic and foreign issuers from which an above-average dividend yield is expected. A major criterion when selecting the

equities is the level of the dividend yield. However, the dividend yields do not necessarily have to be above the market average. The selection of individual investments is at the discretion of the fund management. The currency of the fund is EUR. The fund distributes quarterly. You may request the redemption of shares generally on a daily basis.

Risk and reward profile

The calculation of the risk and reward profile is based on historical data that cannot be used as a reliable indicator for the future risk profile. This risk indicator is subject to changes; the classification of the fund may change over time and cannot be guaranteed. Even a fund that is classified in the lowest category (category 1) does not represent a completely risk-free investment. The fund is classified

in category 5 because its share price fluctuates comparatively strongly and the likelihood of both losses and gains is therefore relatively high. The following risks could be of particular significance for the fund: The fund invests in equities. Equities are subject to strong price fluctuations and thus also to the risk of price decreases. The seeks to generate income from dividends, i.e. from expected distributions per equity. If a company distributes a smaller dividend than expected or no dividend at all, this can have a negative impact on the value of equities or derivatives. A more detailed description of risks and other general information can be found in the risk section(s) of the prospectus.

Charges

The charges you pay are used to pay the costs of running the fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
Entry charge	5.00 %
Exit charge	None
This is the maximum that might be taken out of your money before it is invested (entry charge) and before the proceeds of your investment are paid out (exit charge).	
Charges taken from the fund over a year	
Ongoing charges	1.61 %
Charges taken from the fund under certain specific conditions	
Performance fee	None
Securities lending fees	0.02 %

The entry and exit charges shown are maximum figures. In some cases you might pay less - you can find this out from your financial adviser or distributor. The ongoing charges figure is based on expenses for the fiscal year ending 31.12.2019. It may vary from year to year. It excludes portfolio transaction costs and performance fees, if any. Additional information on costs can be found in the cost section(s) of the prospectus.

Past performance

Past performance is not a reliable indicator of future performance. All costs and fees that were withdrawn from the SGD LDQH (P) share class of DWS Invest Top Dividend were deducted during the calculation. Entry and exit charges were not taken into account. The SGD LDQH (P) share class of DWS Invest Top Dividend was launched in 2013.
