ANNOUNCEMENT TO SHAREHOLDERS

Clarification related to the annex to this Sales Prospectus (“Precontractual information”) for the sub-fund DWS Invest Conservative Opportunities

The shareholders of the aforementioned sub-fund are hereby informed that, in the annex to the Sales Prospectus dated August 15, 2024, in the context of the question “What is the asset allocation planned for this financial product?”, the following editorial error has been identified concerning the stated allocation of the minimum proportion of sustainable investments of 5% in sustainable investments with an environmental objective and socially sustainable investments:

Current wording in the annex to the Sales Prospectus dated August 15, 2024 (“Precontractual information”)

[...] This sub-fund invests at least 51% of its net assets in investments that are aligned with the promoted environmental and social characteristics (#1 Aligned with E/S characteristics). Within this category, at least 5% of the net assets of the sub-fund qualify as sustainable investments (#1A Sustainable). Of this, the minimum proportion of sustainable investments with an environmental objective that are not aligned with the EU Taxonomy is **50%** and the minimum proportion of socially sustainable investments is **10%**. The actual amount of the proportions of sustainable investments with an environmental objective that are not aligned with the EU Taxonomy and of socially sustainable investments depends on the market situation and the eligible investment universe. [...]

As clarification, we hereby inform the shareholders that the correct information is as follows:

[...] This sub-fund invests at least 51% of its net assets in investments that are aligned with the promoted environmental and social characteristics (#1 Aligned with E/S characteristics). Within this category, at least 5% of the net assets of the sub-fund qualify as sustainable investments (#1A Sustainable). Of this, the minimum proportion of sustainable investments with an environmental objective that are not aligned with the EU Taxonomy is **50 1%** and the minimum proportion of socially sustainable investments is **10 1%**. The actual amount of the proportions of sustainable investments with an environmental objective that are not aligned with the EU Taxonomy and of socially sustainable investments depends on the market situation and the eligible investment universe. [...]

The correction to this information will be implemented in the next update of the Sales Prospectus.

Additional information:

The updated Sales Prospectus and the Key Information Document, as well as the annual and semiannual reports and other sales documents, are available from the Management Company and from the paying agents specified in the Sales Prospectus.
